## **REGIONAL AND NATIONAL MINI COMPANY**

- All Mini Company dancers will be a part of our **Regional** Mini Company. The Mini **National** program is designed for young dancers who are ready to become a bit more serious in their dance education. We will be selecting dancers for this new program who have shown the ability to stay focused in class for several classes in a row, are excited to practice their dances **outside** of class and who are able to complete the required choreography without the assistance of the teachers or other classmates.
- Dancers that are selected for the Mini National Company will be placed in classes by **skill** level regardless of their age. All dancers are eligible to be a part of our National Company but there may be some instances that our faculty may feel your dancer is not ready. If this situation occurs, we will provide an explanation as to why we feel your dancer may not be ready.
- All program differences have been outlined below. You will indicate on your registration form if you would like your dancer to be considered for our Mini Company National program.

## **DUOS/TRIOS:**

Mini Company dancers who have been on the Mini Company for a minimum of one year are eligible to participate in 1 extra duo or trio.

Faculty will assign duos/trio groups and styles of dance and you will be notified of your placement in late August 2024.

There is a chance that we will not allow some dancers to participate in duos/trios. If this situation occurs we will provide an explanation as to why we feel those dancers are not ready to compete in duos/trios.

Please remember that participating in an extra duo or trio is something that Mini Company dancers must work for. If a dancer falls behind in their group dances or misses an excessive number of classes during the week, the rehearsals for the extra dance will be stopped until the faculty feels the dancer is fully caught up in their group dances.

Parents must play an active role in helping their dancers rehearse at home. These dances will not be rehearsed every week as their group dances are.

Duos/Trios will only be competed at competition only events. Dancers will not compete duos/trios during a convention weekend.

**Dancers in our Mini Regional Company will not be considered for solos at this time.**

### **Rehearsals and Fees:**

- You will schedule all rehearsals with the teacher selected for your duo or trio. You can estimate two 30 minute rehearsals per month.
- You must be willing to pay an hourly rehearsal fee. This fee will be between \$25-\$50 depending on the teacher's own hourly rates.
- These fees will be paid directly to the teacher and may not be billed through your Dance Factory account.

#### **PARENT ROLES**

- Our studio is a drama free zone. Parents are expected to be supportive, respectful, and courteous to all studio dancers, their teachers and their families at all times. This studio will not tolerate rudeness, jealousy, resentment, or disrespect to any fellow studio member, their family, or the teachers.
- Your role is the following:
  - Lift up and support all of our children
  - Teach your child that there is always going to be someone better than they are
  - Teach your child to be happy for others
  - Give a hand to those who may be behind or struggling
  - Stand firmly behind the teaching staff
  - Work with the teaching staff, showing your child that you are behind their coaches

No child is ever “held back,” but instead, encouraged to develop their skills to their fullest. Our goal is for each child to reach their full potential as a dancer and a wonderful human being. The most successful children are those whose parents support their teachers and coaches 100%. These are the ones who do not bad-mouth or question a teacher or coach in front of their children or others, and they are the ones who are realistic about their children and their place on our Company. We all want all of our Company dancers to succeed, but success is not measured by the trophy a child brought home, by the row in which they stand on stage, or by how many pirouettes they can do. Instead, it is measured by the effort that they put forth each day and who they develop to be as a human being. If they give all they’ve got to give and approach life with kindness, what more can anyone ever expect?
